Steerage for San Francisco numbered 188 Chinese, 18 Japanese and three Europeans.

Captain Sealby is to be congratulated on the Coptic's splendid run from the Orient to this port arriving to-day. THE UNRIVALED

ST. LOUIS BEER

Will be served ON DRAUGHT at the

Hawaiian Hotel.

To meet the times and competition, it will be furnished at

12 1-2 cts. Per Glass

We quote from letter of the Anheuser-Busch Brewing Association, dated August 8th:

"Your honorable firm having represented us for so many years we believe it useless to call your attention to the merits of our article, but we should like to repeat again and call your attention to the fact that ours is THE ONLY PURE BARLEY MALT BEER MANUFACTURED, and corn cereals and other adulterants as well as acids, for the preservation of beer, are unknown in our establishment. With the above you may go before the public in our name."

No concoction of ours can add to the high reputation of Anheuser Beer. Its introduction in any and every market makes it an immediate favorite. It stands without a peer, without a rival, without even a competitor. It received the highest awards at the Columbian Exposition. The reduction of the draught Beer to the prevailing price of

12 1/2 CENTS PER GLASS,

places it within the reach of all, and he is a wise man who gets the best quality for the least money.

W. W. DIMOND'S

It is said that when Jane gets the money she will inherit by her uncle's will she will buy a whole row of seats for Il Trovatore. Then she will go in for solid, useful and ornamental articles for her home. What do you think of the scheme?

Wheel Barrows,

You've paid \$5 for a wheel barrow and then not been half satisfied. We sell you one that is neat and strong—not too large to pass through a gate way, and an all around gem, for \$3.50. Solidly braced sides and front and with a patent steel wheel. It is worth looking at—and buying.

Cold Feet

After a bath or before bathing may be avoided in a simple manner. The patent cork mats absorb water and prevent its dripping over the bath room floor. They are healthy and serviceable, hard to wear out, and no one sells them but Dimond

Lawn Sprinklers,

The California variety have always cost you \$2.50. Our latest invoice was bought so that we can deliver them at your door, and, if necessary, attach them to your hose for \$1.80, 70 cents less than you've been paying. That is what good buying means.

Umbrella Stands

And Jardinieres or lamps of every description in shape made of wrought iron—black color—are au fait. We have every style you can think of.
